EDUCATION & BOOK WEEK COMBINED - OPEN DAY WEDNESDAY 7th AUGUST

Next week is Education Week and we will be again combining this event with our Book Week celebration. The theme this year for Book Week is 'Reading is my secret power.' To celebrate this event, on Wednesday 7th August we will be holding some special activities to promote our teaching and learning, acknowledge the achievement of our students and showcase their talent. We will also be opening our classrooms for you to visit and inviting you to the Book Fair after having a K-6 Book Parade, our Year 6 Cafe and a picnic lunch.

The Book Character Parade will start at 12:00pm on the basketball court. After that, our parents and grandparents are invited to the Hall COLA to indulge in the Year 6 Café while you listen to our band perform. As you can understand, this is a small space with limited produce, therefore our students are not permitted to attend the Year 6 Café. They will be busy doing other things while our parents and grandparents can have a little retreat with a cup of tea or coffee and a cake ;) Please note that the Book Fair will open in the hall at 1:30pm and you will be invited to visit and purchase books in allocated timeslots with your child's class.

ATHLETICS CARNIVAL - CELEBRATING STUDENT ACHIEVEMENT IN SPORT

Last week on Tuesday we held our annual School Athletics Carnival. It was a hugely successful day full of blue skies, fitness, fun and broken records. I'd like to thank Mrs Austin and Mr Belgre for their outstanding organisation and for providing another wonderful opportunity for our students to shine in the sporting arena. Their inclusion of the electronic timing gates was a stroke of genius! I'd also like to thank the P&C, Canteen Committee and our parent volunteers who assisted with the running of the BBQ and canteen. A special mention goes to Alison Walsh and Kylie Bayley for the hard work they put into organising and running the canteen. Thank you ladies! We are extremely grateful for the time, effort and dedication that you all consistently give to our wonderful school.

CELEBRATING STUDENT ACHIEVEMENT – ETHAN PHILLIPS AT THE FESTIVAL OF INSTRUMENTAL MUSIC

The Festival of Instrumental music is an annual concert series for NSW Public Schools, held in the Concert Hall of the Sydney Opera House. Some of our most talented musicians from across the state are provided the opportunity to celebrate and enhance their music education through a world-class performing experience. I am very pleased to report that one of our own very talented students, Ethan Phillips, was invited to perform in... not one... but two combined school ensembles; the recorder ensemble and the string ensemble on violin. Congratulations on an outstanding performance, Ethan. It will definitely be one to cherish!

CONGRATULATIONS MS DOMENICI

I'd like to congratulate Ms Domenici on earning the role of Relieving Deputy Principal position at East Hills Public School through an expression of interest last term. Ms Domenici has extensive leadership experience and will be a great asset to East Hills PS. She will be stepping out of PPPS on Mondays and Tuesdays for the remainder of 2019 to fulfil this role and will bring new leadership skills to share with us back at PPPS in her role as Visible Learning coach on Wednesdays, Thursdays and Fridays.

KINDERGARTEN ENROLMENTS & ORIENTATION

Our Kindergarten Orientation Program for 2020 begins next term. If you have a child starting school next year or know someone in our school catchment area that will also be starting, but have not yet filled in an enrolment form, please do so ASAP. This will ensure you receive the necessary information about the Kindergarten Orientation Program and your child does not miss out on this important introduction to our school.

MUSIC ORGAN TO GOOD HOME

A local resident has offered to donate an organ to the school; however, we have no need of it nor any spare space to accommodate it. The owner is happy for the organ to go to a family whose child may be happy to learn to play it. The cabinet is approximately 900 cm high, 110 cm long and 45 cm wide and would need a ute or similar vehicle to transport it. Anyone interested please contact Mrs Stawski for details.

Shared Language of Learning

This section focuses on the Shared Language of Learning that is used at PPPS. It is designed to enhance communication and understanding about learning and progress across the school community

BEE OPTIMISTIC

“Optimism is the faith that leads to achievement, nothing can be done without hope and confidence”

Definition

Optimism is our student's ability to embrace and often seek challenges as opportunities for growth.

Why Optimism?

Evidence suggests that optimism is important in coping with difficult life events... thus, it appears that optimism is uniquely related to positive affect. Being an optimist boils down to the way you talk to yourself. Optimists believe that their own actions result in positive things happening, that they are responsible for their own happiness, and that they can expect more good things to happen in the future.

Language of Learning Challenge

Pick an event that you are not looking forward to doing and discuss ways you can turn this into a positive.

Student Quote of the Week

Optimistic means being positive, trying something hard, being a little brave and giving something new a go.

In Week 4 all students will present their speeches in class. Teachers will then select 2 students to represent their class in the public speaking finals in Week 5. Notes were sent home last week with all details regarding speeches.

JUMP ROPE FOR HEART

This term Stage 1 students will be participating in the Heart Foundation's Jump Rope for Heart Program. Students will learn skipping skills, improve their coordination and cardio fitness all while raising money for the Heart Foundation. All students have been skipping at lunch times, in Premier's Sporting activities and in class PE lessons. If you haven't already registered online, get on today and register to help donate to a worthy cause.

NO TOYS AT SCHOOL

Just a reminder that no toys are to be brought to school, including ooshies. This is to ensure that valuables are not lost or damaged. We appreciate your understanding and support.

SCHOOL HATS

Just a reminder that all students must have their school hat every day. If they forget it or have lost it they are to play under the shelter or COLA until they can purchase a new one.

Year 4 Excursion Wollongong

Week 3
Tue 20th Aug

PUBLIC SPEAKING

Reminder to students and parents that public speeches are due in Week 3, although they may stretch into Week 4 due to the busy nature of next week. Notes with details were sent home both electronically and physically, at the end of Term 2. The topic is completely open and speeches should be 3 minutes in length. Our stage finals will be held in Week 5.

OPPORTUNITY CLASS TEST

Congratulations to our Year 4 students who bravely sat for the OC test on Wednesday. They have worked hard in their weekly workshops and benefited from the extension and problem solving challenges. Whatever the outcome of the test, it is not what's most important. Your strong Learner Qualities, the optimism with which you faced the challenge, the progress you have made in your learning and your increased confidence is what really counts. You have every reason to feel proud of your efforts!

PARENT INTERVIEWS AND REPORTS

We trust that our strong student-teacher-parents teams have benefited from the half yearly reports and interviews and allowed students to self-reflect and set clear, specific goals for Semester 2. If for some reason you missed out on an interview, please see your teacher about arranging another time.

SPORTS IN SCHOOLS

This term, Stage 2 will continue to have their SIS afternoons in EVEN weeks. We would like to thank all our parents for supporting this amazing program!

JUMP ROPE FOR HEART

The whole school is again participating in this worthwhile program, which helps build confidence, agility, skills and lots of fun and laughter, while raising funds for heart disease research. Students have taken home notes with instructions on how to register online or on a form, to gather sponsorships and raise valuable funds.

YEAR 4 EXCURSION - WOLLONGONG SCIENCE CENTRE

The Year 4 students will be travelling to Wollongong University Science Centre on Tuesday 20th August (Week 5) for their science excursion. The notes with details have gone home and it is promising to be a very exciting, educational and relevant experience. There will be three components to the visit - a planetarium show, a hands-on experiment session and time to look around the museum at all the exhibits and artefacts. We were very lucky to secure this booking due to a cancellation, so please return your permission notes promptly.

TISSUE REQUEST 4 ARGON

Due to the tough flu and cold season, 4 Argon have almost run out of tissues and the teachers ask if students could please bring in some additional boxes, to see them through to year end.

Stage 3 Report

TEEN RANCH

This week the deposit note for Teen Ranch went home. We are asking for volunteers to drive some students to and from Teen Ranch in Cobbity; this will keep the cost of the camp down by roughly \$40. More information will be forwarded to those who indicate they are able to help. To help with organisation please make sure that the note is returned as soon as possible or by Wednesday 14th August, even if your child won't be attending. If your child won't be attending this camp they will be expected to attend school for those three days.

YEAR 6 FAREWELL

Along with the celebrations, we always have a cake to end the evening. Usually, it consists of a smaller round cake (cut by the school captains) and individual cupcakes – one for each student – approximately 74).

We have been most fortunate in past years to have parents offer their services and the cakes that have been made are nothing short of amazing.

If you would be willing to make our celebration cakes, or know someone who could help us out, please contact Mrs Chatt via pamela.chatterton@det.nsw.edu.au. The Year 6 fundraising will pay for any supplies needed.

YEAR 6 DVD

It's time to start getting things ready for the farewell. One of the highlights of the night is a DVD Mrs Chatt puts together using the students photo. She needs a baby photo for every student and a Kindy photo if your child was not at PPPS for Kindy. You can either email the photos to Mrs Chatt at pamela.chatterton@det.nsw.edu.au or send in a hard copy and she will scan it and send it home straight away.

YEAR 6 CAFE

Each year, our Year 6 students provide refreshments for our visitors on Open Day. This café allows parents to purchase a cup of tea / coffee, along with a selection of sweet treats.

We will be asking parents to support this activity by sending in a small plate of treats for sale on the day. A note was sent home this week, but we thank you in anticipation of your support.

DANCESPORT CHALLENGE GALA EVENING

Our Dancesport Challenge instructor, Peter, has shortlisted a group of students to be considered in the final 30 participants for the Gala Evening at Homebush in September. A permission note was sent home with these students as we need to know whether parents will allow their child to participate if selected as a finalist, media permission, transport to and from the venue etc. Our time frames are tight and we thank parents for attending to these matters as soon as they are presented.

GIRLS TOUCH KNOCKOUT

Yesterday our girls Knockout Touch team played their third round match vs Tahmoor PS 19-1. Despite some unfamiliar conditions, the girls worked hard for each other and played as team to ensure they came away with the win. I was really proud of the maturity and sportsmanship the girls displayed throughout the match. The girls now await other results to see which school they will face next.

BOYS ALL SCHOOLS RUGBY LEAGUE

Last term our Rugby League team competed at the Canterbury All-Schools tournament. In cold conditions, the boys suffered a first up loss to a strong Banksia Road team. Following the match, the boys regrouped and won their next two matches to qualify for the final where they had to face Banksia Road again. The boys demonstrated how much they had grown and improved throughout the day with a solid win in the final to become Canterbury Champions for a third year in a row! The boys now advance to the State Finals which will be played at Whalan Reserve on Wednesday 7th August. A special thanks to Jon Wilson and Joe Sabbagh for their continual efforts in providing their expertise to run our Rugby League Program.

ATHLETICS CARNIVAL RESULTS

Last Tuesday we held our athletics carnival at The Ridge and under beautiful conditions we had a great day!

Congratulations to all students for their enthusiastic participation in all events and excellent sportsmanship and behaviour throughout the day.

It was an enjoyable day and all students should feel very proud of themselves for giving their personal best. Well done kids!!!

It was fantastic to see all students involved in our Sport in Schools program and the kids thoroughly enjoyed the various activities.

A special mention to those children with NR (New record) beside their name. These students broke the previous record for that event. A fantastic achievement with 9 records broken!!

A huge thank you to all of the teachers who worked tirelessly all day.

To the amazing group of parents who ran the BBQ and canteen and worked nonstop throughout the day to provide all the yummy food!

Finally, congratulations to the students who will now go on to represent Picnic Point at the District Athletics Carnival, on Monday 19th August. We wish you all the best of luck! Notes were given out today and need to be returned to the office by next Friday 9th August so carpooling can be arranged. Thank you.
