**Kalori 13  
May 2022**

## **Whole School Information**

### **UPCOMING EVENTS:**

P&C Sausage Sizzle!!!	Tue 31 May
Semester One Reports go home	Thu 23 June
Parent/Teacher Interview bookings open from	Tue 14 June

### **WHAT'S DUE NOW**

P&C Sausage Sizzle order by Thu 26 May  
Stage 3 Excursions note and money

### **KALORI SURVEY**

As a school we endeavour to find the best way to community in order to engage and work in collaboration with our parents and carers.

We use your feedback to reflect on and make adjustments to better meet our collective needs. We are seeking your feedback about our Kalori and the current methods of disseminating information to our community.

Thank you for taking your time to fill in this 3 minute survey. <https://www.surveymonkey.com/r/RFSK2V6>

### **VOLUNTEERS WEEK - THANK YOU!**

Thank you to all of our many volunteers who contribute to our school - particularly our P&C. It was wonderful to engage with the parents who were able to make it to our morning tea this morning. It was great to particularly acknowledge Mel Watters, Karen Friend, Julie Griffiths and Niki DeSalvatore for their great volunteer work in running the Uniform shop, Fundraising, and Canteen. You are amazing!

### **NAPLAN**

Well it's all over for another year. We are proud of all the Year 3 and 5 students and how they approached the test and the effort they put in. Thank you to Mrs Chat for coordinating and the teachers and other students for their help in making it run so smoothly.

A huge thank you to Miya Ness, James Young, Taiana Vaisima, Mia Psomas who helped Mrs Chatt in the mornings with setting up the Chromebooks ready for the tests. Also all the senior students who helped setting up and packing away the tables. That is a huge job that many hands made for light work.

### **CONGRATULATIONS TO OUR SWIMMING SCHEME STUDENTS!**

Congratulations to our students who attended the Swimming Scheme over the past 2 weeks. It was a great privilege to see how much you improved with the daily instruction. I am also proud of the way that you represented PPPS showing your Learner Qualities and respectful manners.

Thank you to Mr Burdon for organising this most important program. Thank you to all teachers for your support of this valuable program.

## OUR SCHOOL TURNS 60 AND MINIMBAH TURNS 40!

We are seeking support for a committee of interested parents to help in coordinating the celebrations for the school turning 60 and Minimbah turning 40 this year. If you are interested please contact the office via email with the title 60th Anniversary Committee and we will be in touch. We are keen to connect with past students and staff so please start getting the word out to the community.

## SEMESTER ONE REPORTS AND PARENT TEACHER INTERVIEWS

Teachers are currently working towards creating Semester One reports as a reflection of the learning completed through Term 1 and most of Term 2. These reports will go home to parents and carers in your child's bag on Thursday 23 June. Parent Teacher interviews will be conducted from Friday 24 June to Thursday 30 June. The parent teacher interviews are booked through the Sentral portal and bookings will open on Tuesday 14 June. Remember that you are welcome to arrange an interview with your child's teacher at any time if you have concerns or questions.

## WINTER UNIFORM - REMINDER

As the weather has started to become a little cooler, especially in the mornings, students may wear their winter uniform to school, but it is not compulsory yet. From Week 8, 13 June (after the long weekend) all students must be in full winter uniform.

<b>Girls winter dress</b>	Tartan tunic, white long-sleeved Peter Pan collared shirt (rounded collar) with maroon tab, maroon tights, black school shoes. A maroon school jumper/jacket and maroon fleecy zip up micro fibre waterproof jacket.
<b>Girls winter pants</b>	Maroon trousers, white long-sleeved peter pan collared shirt (with tab) or white skivvy (no maroon tab required), white socks, black school shoes. A maroon school jumper/jacket and maroon fleecy zip up micro fibre waterproof jacket.
<b>Boys winter</b>	Long grey trousers, sky blue long-sleeved shirt, (white skivvy is also acceptable), grey socks, black school shoes. A maroon school jumper/jacket and maroon fleecy zip up micro fibre waterproof jacket.
<b>Boys sports</b>	Royal blue shorts, sky blue polo shirt with embroidered emblem, white sport shoes, white socks.
<b>Girls sports</b>	Royal blue sports skirt or shorts, sky blue polo shirt with embroidered emblem, white socks, white sports shoes.
<b>Unisex sports tracksuit</b>	Maroon trackpants, maroon school jumper/jacket and maroon fleecy zip up micro fibre waterproof jacket.

Up until the long weekend, students must wear either summer or winter uniform, but not a mix of both. Eg. girls wearing summer uniform must wear white socks NOT maroon stockings.

No other clothing is permitted under the uniform. e.g. black leggings under dresses, skivvies under girls summer dress or boys short sleeved shirts.

Thank you for your support in maintaining our strong sense of school pride through enabling our children to wear their uniforms well.

Please ensure **all** pieces of you child's uniform are **clearly** labelled with their name.

Thank you for your continued support!

Karen Sellick  
Principal

## Shared Language of Learning

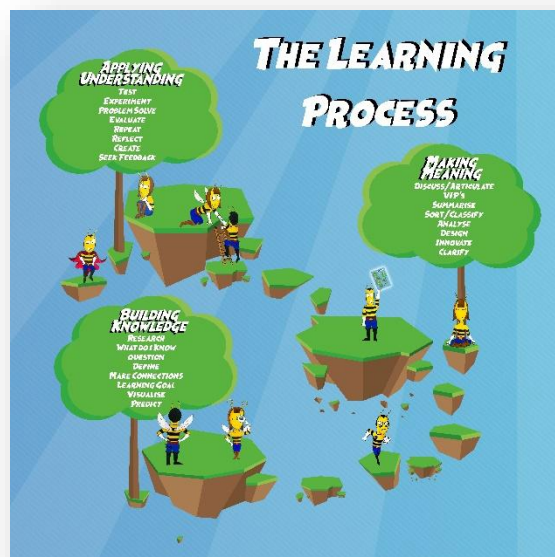

# THE LEARNING PROCESS

*“Knowing how to learn is the most powerful tool of all”*

### Definition

The Learning Process represents the steps we go through when learning new information or when learning/improving a skill. The Learning Process in itself is a skill, meaning it can be learnt and improved. It consists of three fluid stages: Building Knowledge, Making Meaning and Applying Understanding.

*Building Knowledge* is the process of researching and gathering information before we start. *Making Meaning* is our ability to understand the information we have gathered and use it to make a plan forward. *Applying Understanding* is putting our plan in to action through experimenting and trialling. If it works, great, if it doesn't work, we need to reflect and go back through the steps to work out if we need to build more knowledge or make better meaning of our information.

### Why The Learning Process?

By our students understanding and being able to recognise and break down the steps that they go through when learning new information and skills, they are able to start becoming self-sufficient learners. They are able to see what they want to achieve and make a detailed plan using the process about how they are going to get there. They develop the ability to become in control of when, how and what they learn because they become able to understand and recognise where they are and what they have to do to achieve what they want. It instils the ideals that 'I can accomplish whatever I put my mind to'.

### Language of Learning Challenge

Pick a task you have never completed before, it can be building something, learning a new skill or recipe. While you complete it, see if you can recognise yourself moving through the steps of Building Knowledge (Pinterest, google, books, where do I start?), Making Meaning (how is this going to work for my situation? What's my plan?), Applying Understanding (We have a plan, let's give it a go?). If it doesn't turn out the way you thought, see which step you might need to revisit to make it so.

### Student Quote of the Week - Senior Poseidon

"It's a life long learning process" Mason Edwards

"There are different stages to learning and you have to go through each stage to succeed" Sarah Musumeci

## Stage 1

### PRINCIPAL'S AWARDS

Congratulations to the following student who has received a Gold Principal's award at assembly.

- Noah Thambyah

## **SPECIAL SWIMMING SCHEME**

Congratulations to our Year 2 students who concluded their 2 week Special Swimming Scheme Program today. It has been wonderful for Mr Burdon and Mrs Peroni to see their students showing grit and bravery in the pool and noticeable improvement over the 2 week period. Most importantly, we are proud to hear such positive comments from the instructors about our students' behaviour, effort and manners. Well done Picnic Point!

## **KINDERGARTEN ENROLMENTS 2023**

We have begun taking Kindergarten enrolments for 2023. If your child is starting Kindergarten next year, please go to the school's website, click on the enrolment tab and read the information. Then follow the link to fill in the application form. If you know of any other families in our catchment area who may have a child beginning Kindergarten next year, please inform them of the above procedure. Thank you.

## **MORNING ARRIVAL**

The school day begins at 9:00am and it is important for all students to be at school before the bell goes at 9:00am. We have had a number of K-2 students arriving late and this is an important time of the day when teachers go through the day's activities. Please be mindful that a good start to the day sets your child up for a positive day of learning.

## **WINTER UNIFORM**

Please note in the Principal section of this Kalori, information regarding school uniform. There have been a number of students wearing a combination of summer and winter uniform. All information is listed on the front page.

## *Stage 2*

## **PRINCIPAL'S AWARDS**

Congratulations to the following students who have received a Gold Principal's award at assembly.

- Lily Catling
- Vera Ly Lac
- Lilac Suleiman

## **NAPLAN**

Congratulations to our Year 3 students on completing their NAPLAN assessment. We are proud of the calm and orderly behaviour they displayed while undertaking the online tests. We ask parents not to put stress on this assessment - remember it is just one snapshot - a little window into your child's learning continuum.

## **SWIMMING SCHEME**

As the swim scheme concludes, we have seen a steady improvement over the past two weeks - not just the amazing growth most students have made in their swimming skills, but also their behaviour and organisation. We are proud to share the beautiful compliments we have been receiving from the teachers at Revesby Swim Centre - they are for you, parents!

## **PORTFOLIOS**

Can we please remind parents again that your child needs to bring a portfolio for their work samples. You can purchase one from the office or any stationery store - it is not absolutely vital to have the school logo on it. A folder with plastic sleeves is fine, but it should have at least 30 display sleeves. We want the children to value their work, display it neatly and share it proudly with their parents. Please send one with your child as soon as possible.

## **HOMEWORK EXPECTATIONS IN STAGE 2**

All students in Stage 2 are expected to finish a certain amount of homework every week. This is to revise schoolwork, but more importantly, to develop consistency, organisation and important habits for senior school and high school.

The weekly homework given is: Home Reading, Maths Plus Mentals work (teachers will set a minimum amount for individual students) and writing out their spelling list 3 times. Optional extension work is offered to students who are interested. Parents, please provide a quiet, comfortable work space and if possible, devote time each week to show interest in your child's work and to share some reading. Turning it into a pleasant experience will make a huge difference. If your child is struggling, please see the class teacher - it is not expected that you will take responsibility for your child's homework. Thank you for your continued support!

## **OWN DEVICES FOR YEAR 4 (BYOD)**

Last term, we sent notes to Year 4 parents, with information about purchasing a device for your child, to start using in preparation for senior school. While it is not compulsory and we understand it may be an inconvenient expense at the moment, we are aware that many of you have purchased one - thank you! We have held off for the past four weeks due to NAPLAN and the swim scheme and will now be sending home a contract, to highlight the rules and expectations of bringing and caring for your own device. Your teacher will also let you know on which days devices will be required at school - at this stage, it will not be every day.

We want to assure you again that if your child does not have his/her own device, they will not miss out or be disadvantaged in any way, as we have Chromebooks to supplement the numbers.

## **JELLYBEANS MAKE UP LESSONS**

On Wednesday of Weeks 5 and 6, all Stage 2 classes will have their Jellybeans music lessons to make up for two missed sessions in Term 1. They will be observed and assessed on their skills and progress. If your child has taken their recorder home to practise, please ensure they bring it back on Monday.

# *Stage 3*

## **CANBERRA**

Next term we'll start learning about government ahead of our Canberra Camp. If you are using the payment schedule you will have made a payment in Week 2 and the next one will be in Week 5. This is just a reminder so it doesn't sneak up.

## **SCIENCE ASSIGNMENT**

By now the students should be well into their assignment on 'Growth and Survival of Living Things' This assignment is designed to take 5 Weeks to complete. This is the sort of assignment that the students will be receiving in high school. It is designed to not only teach them about the topic and the scientific process but also about time management.

## **JELLYBEANS**

Now that NAPLAN is over we will be resuming our Jellybean program. We still have a few outstanding payments and notes to come in. Please make sure you have forwarded these to the office. Thank you to those families who have already paid.

## **PUBLIC SPEAKING**

This week students have been presenting their speeches. From this two students per class will be chosen to represent their class at the Stage competition in Week 5. The top two students will then go on to represent Stage 3 at the 2022 Multicultural Perspective Public Speaking Competition.

## **BYOD**

We are becoming a little concerned that some students are becoming a little complacent about our BYOD program. All students who have signed the agreement need to ensure that devices are fully charged and at school each day (Monday – Thursday). Under no circumstances are personal devices used by another student and it is the responsibility of each student to ensure their device is safely stored at recess and lunch times.

We have seen that some students are using their devices to email or message each other. The students are aware that if this happens in class time their device will be confiscated until the end of the day. The students' devices are a learning tool and not for social or gaming purposes while within the school grounds.

We encourage all families to revisit our BYOD policy on the school website.

## ***Band***

### **UPCOMING EVENTS:**

Next Band Meeting	Term 3 Week 3
Band Jam tentative date	Fri 5 Aug (TBC)

### **CONGRATULATION**

Congratulations to ***Edward Loh*** and ***Zahraa Medlej***, who auditioned for the South Sydney Symphony Orchestra last Sunday! It is a huge privilege, but also hard work, to be at that level in your music and we are extremely proud of you for being brave and giving it a go! You both contributed to our school's wonderful reputation by representing us in such a grand endeavour! We wish you all the best for your future achievements!

### **BAND COMMITTEE MEETING**

Last Tuesday evening, the band committee held their Term 2 meeting. It was inspiring to see so many parents attend, in person or via Zoom and I really want to express my thanks and appreciation of their support!

The future of the band was the main topic on the agenda and some amazing ideas were generated by the parents, proving that ten heads are better than one! Minutes of the meeting will be emailed next week and some main points and dates published in the next Kalori.

Some of the ideas we want to put into action immediately are an invitation to parents and students who may want to join the band, to observe a Monday morning band practice, to see what it is like. Another idea is to offer any 3-6 student who may want to join a free 5 week trial - see heading below.

Ideas for more performance opportunities were also shared and discussed, as well as more fundraising suggestions.

### **NEW BAND MEMBERS INVITATION!**

The band committee is extending an invitation to any students in Years 3 to 6, to join the band for a 5 - week free trial. That way, they will see which instrument they may prefer and whether it is something they enjoy, without locking in for a term. If interested, please contact Mrs Stawski by emailing the school or sending a brief note with your child.

### **BAND JAM**

This very popular, fun family event is tentatively planned for Term 3, Week 3. Please pencil the date in your calendar - more information will be coming soon.

## FACEBOOK PAGE FOR BAND

It came to light that some parents are not aware of our band's FaceBook page, separate from the school's FaceBook. Here is where you will find important (often urgent) messages, information or requests for help, relating specifically to the band. Please join us!

<https://www.facebook.com/groups/140745483057583>

## Picnic Point Public School Concert Band >

Private group · 51 members

## Chess

### JUNIOR CHESS LEAGUE

The competition has kicked off well and the teams are enjoying their games.

I would like to congratulate them on their behaviour and true 'chess' spirit. Many thanks to our parent helpers for making this event possible, also to Mr Burdon and Mr Dodd for supervising on Fridays.

Parents, please check your roster each week - if your team has a BYE, it means they go home at 3:00pm. Home games generally finish by 4:15pm at the latest and when our own Team A and Team B play each other, even earlier, as they don't need to wait for another school to arrive. Please collect your children promptly - thank you for your support.

## Library

### 2022 NSW PREMIER'S READING CHALLENGE

The NSW Premier's Reading Challenge is in full swing! This year, all students are encouraged to participate in the NSW Premier's Reading Challenge (PRC). The PRC aims to encourage a love of reading in students as they will read a wide variety of books and quality literature throughout the year.

The Challenge began on Monday 28 February and will close on Friday 19 August. Students who complete the challenge will each receive a certificate at the end of the year. Students in K-2 will complete the challenge as a class with their teacher. They will need to read 30 books to complete the challenge. Students in 3-6 will independently complete the challenge as a part of class and/or home activities. They will need to read 20 books to complete the challenge.

For more information, please visit the PRC student website: <https://online.det.nsw.edu.au/prc/home.html>

## Sport

### UPCOMING EVENTS:

District Netball Trials	Mon 23 May
District Cross Country	Tue 24 May
District Girls Football Trials	Wed 25 May
District Cross Country Reserve Day	Tue 31 May
SSW Netball	Mon 30 May
State Boys and Girls Basketball	Week 6
District Boys and Girls Softball Trials	Thu 2 June

## CROSS COUNTRY RESULTS

### K KINGFISH GIRLS

- 1<sup>st</sup> Megan Mai
- 2<sup>nd</sup> Alex Ou
- 3<sup>rd</sup> Ayanna Garg
- 4<sup>th</sup> Ima Paudel

### K KINGFISH/CLOWNFISH BOYS

- 1<sup>st</sup> Lochlan Friend
- 2<sup>nd</sup> Lucas Liu
- 3<sup>rd</sup> Kaden Kurniawan
- 4<sup>th</sup> Taj Smee

### K CODFISH/CLOWNFISH GIRLS

- 1<sup>st</sup> Ashlee Gao
- 2<sup>nd</sup> Yvonne Gu
- 3<sup>rd</sup> Olivia Mihajlovski
- 4<sup>th</sup> Grace Fakhry

### K CODFISH BOYS

- 1<sup>st</sup> Cassius Lyons
- 2<sup>nd</sup> Aly Iskandar
- 3<sup>rd</sup> Elijah Toumazis
- 4<sup>th</sup> Bodhi Wilson

- 8<sup>th</sup> Angelina Nikolovski - R

### 12 YEAR BOYS – 8:05

- 1<sup>st</sup> Ryan Watters
- 2<sup>nd</sup> Gabby Abdulwahab
- 3<sup>rd</sup> Harrison Ma
- 4<sup>th</sup> Benjamin Savage
- 5<sup>th</sup> Raymond Yang
- 6<sup>th</sup> Alex Catling
- 7<sup>th</sup> Kareem El Badawi - R
- 8<sup>th</sup> Dylan Pantazis - R

### FINAL PLACINGS

- 1<sup>st</sup> Jerraral – 334
- 2<sup>nd</sup> Bunnal – 288
- 3<sup>rd</sup> Murangal – 256

## A NOTE FROM THE PRESIDENT...

**NATIONAL VOLUNTEERS WEEK 16 - 22 May 2022**

Over the past week the P&C have been shining the spotlight on our amazing volunteers. Our volunteers do incredible work, generously giving up their time to help support our school and the community.

The theme of this year's celebrations is Better Together. Volunteering brings people together, it builds communities and creates a better society for everyone.

This theme resonates even more deeply given the last years we've all experienced as part of the global pandemic. Volunteering is a fantastic way to reconnect with your school community and we encourage everyone to consider how you can say "yes" to helping out.

**Volunteering Takes Many Forms – It's time to say "YES"** When we consider whether we can volunteer to help out the P&C the thought that most readily comes to mind is the traditional form of volunteering – giving up time to be on school grounds for either a canteen or uniform shift or helping out at a school event. This form of volunteering is the backbone of our P&C, however, there are many other ways our parents can lend a hand that you may not have considered.

There is a lot of volunteer work that can be carried out virtually at home with flexible hours to fit in around after school activities and work commitments (This report I'm typing up while watching my son at footy training). Things like our assistant canteen roster clerk relies on working with a spreadsheet and using Facebook which can all be done virtually.

Some of our volunteers who can't spare the time ask for gift vouchers or prizes from the local businesses they visit which helps the P&C raise important funds for our school. Other volunteers are business owners and donate or sponsor our events.

So I'd like to challenge our parent community to think about how they might be able to help out. Ask yourself the question **"How can I say yes?"**

## A NOTE FROM THE PRESIDENT...

### P&C MORNING TEA

I'd like to thank everyone that attended our P&C Morning Tea today. It was great to meet some new parents and reconnect with others.

Thank you to Karen Sellick and the school for providing the morning tea treats and a special thank you to Kayla Savage for her delicious baked goodies.

## THE SCHOOL IS TURNING 60!

This year Picnic Point Public School is 60 years young and we are looking forward to celebrating this fantastic milestone with everyone in the school community in Term 4.

We are looking for people who would like to get involved in organising this wonderful celebration.

Maybe you enjoy throwing a great party or maybe you are interested in how to showcase our school and its history. Either way we'd love for people to get involved. If you would like to be part of the 60<sup>th</sup> anniversary festivities please contact us via the P&C email at [picnicpointpublicschool@pandcaffiliate.org.au](mailto:picnicpointpublicschool@pandcaffiliate.org.au)

CHEERS  
TO 60  
YEARS

## P&C ROLE VACANCIES

Our P&C are currently looking to fill the following vacancies. If you are interested in any of the following roles please email: [picnicpointpublicschool@pandcaffiliate.org.au](mailto:picnicpointpublicschool@pandcaffiliate.org.au)

### P&C TREASURER

We are looking to fill our vacant Treasurer position. You don't need to be a qualified accountant or bookkeeper to undertake this role.

Your role includes maintaining our online accounting system, making bill payments and preparing a report to the committee for each meeting. You will have plenty of support from our executive committee members who are happy to train you if required.

This role does have deadlines so will suit someone who is organised but it is flexible as it can be done from home after hours.

### P&C ASSISTANT TREASURER

We are looking for someone to be assistant to the Treasurer in keeping our P&C association financially organised.

You would be required to do the weekly banking for the P&C Canteen and for any fundraising events when held. When you do the banking during the week it is completely flexible.

This role otherwise entails just lending a hand when needed to our Treasurer and can be done after hours from home.

### ASSISTANT FUNDRAISING CONVENOR

Volunteer with us

Hello You ... Our New Assistant Fundraising Convenor!!!

Customise volunteering around your busy schedule & lifestyle with this role supporting our dedicated Fundraising Team of Karen Friend & Julie Griffiths.

Our aim is to put the "Fun" into FUN-DRAISING & to do this we need an extra set of hands to share the load & support us along the way with some key events this year in the pipeline!!!

If you love being hands on, being a party planner, a super organiser & achieving results then this is for you!!!

## CANTEEN

We have two support roles we're seeking to fill to provide back-up & support to the amazing A-Team Julie Griffiths & Niki Di Salvatore.

### ASSISTANT CANTEEN CONVENOR

This role provides support for the weekly operations of the canteen which includes stock ordering & special event planning. This role is a little hands on, in order to be trained by the best & learn the key operational aspects of the Canteen.

### ASSISTANT ROSTERS CLERK

This role provides support for the co-ordination of volunteers for the completion of the roster, filling vacant shifts & special event roster planning. This role can be completed virtually, with minimal requirements to be onsite.

If you think you'd like to assist - please contact us via email:

[picnicpointpublicschool@pandcaffiliate.org.au](mailto:picnicpointpublicschool@pandcaffiliate.org.au)

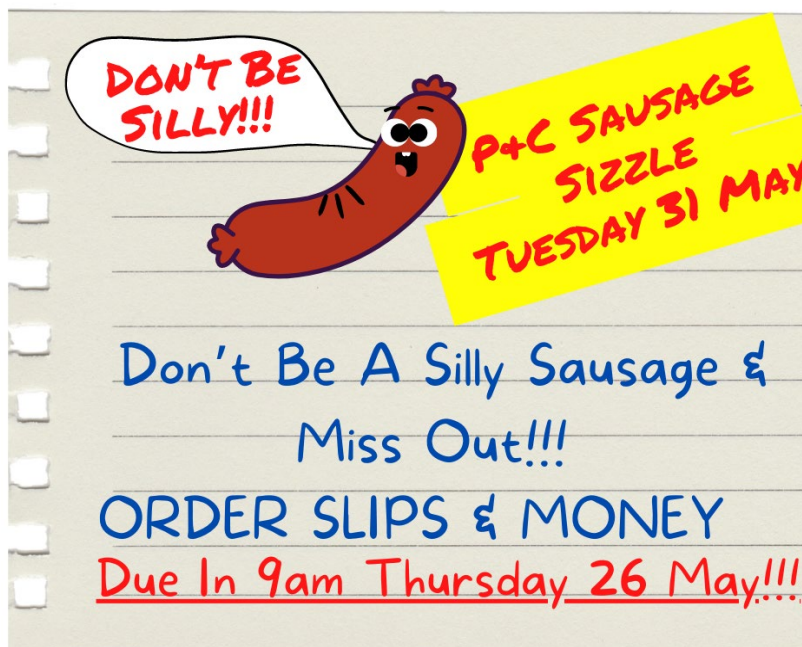

## P&C SAUSAGE SIZZLE

Thank you to the amazing Parents & Carers who have volunteered to help with our P&C Sausage Sizzle on Tuesday 31 May

Please ensure you have your child's order slip & money handed into the school office by 9am Thursday 26 May or they will miss out on this delicious lunch.

It's been a long time since we've fired up the BBQ's & we can't wait to get Sizzling !!!!

## P&C FUNDRAISING

### MOTHER'S DAY WRAP UP

Thank You to our amazing School Community for the support behind this year's Mother's Day Events, we are proud to report we raised over \$3,000 in funds for the school, with a great uplift in Ticket Sales & Gift Purchases.

We hope the lucky winners from our Mother's Day Raffle enjoyed their prizes. Thank You to all families who supported this year's raffle, there were some very generous ticket purchases eager to win & spoil Mum.

We hope those carefully selected gifts from the Mother's Day Stall were loved & cherished. Thank You to our School Community that pivoted with us with the change of date with special thanks to these beautiful Mum's for helping out & making it possible:

Christine Tadros      Shay Ceissman      Karen Friend      Michelle Pearce  
Niki Di Salvatore      Emma Elmir      Julie Griffiths

### COMMUNITY CALL OUT

There are some key event's planned for this year ... we can't say too much right now, but it's fair to say we'll be able to share more information soon.

Keep your eyes on our Facebook Page & spread the word to those who don't follow our P&C Facebook page to get on board .... As we'll be calling out for some fun & exciting Volunteering Opportunities.

We have an amazing talent pool of Parents & Carers that we want to draw upon If you have one of these businesses, a skill set or a connection in any of these area's; We'd love to hear from you.

Or perhaps you have or work for a local business that would be interested in some corporate sponsorship???

There are so many ways to be involved & connected with our school community... Let's talk & contact us!!!

# UNIFORM SHOP

Our Uniform Shop trades Thursday's from 2:30pm – 3:30pm

New Stock has arrived in in the Uniform Shop  
Maroon Tights, 3pk Grey Socks & 3pk White Socks.

Prices as per photo's & sizes listed – while stocks last.

Best to get in quick especially with the tights, they will go fast when the winter chill kicks in!!!!
