### **THANK YOU!**

Thank you to all of the parents and carers who assisted in transporting our students to compete at the District Cross Country Carnival on Tuesday at Playford Park. We are all so proud of our students' efforts! Congratulations to the students who will be representing East Hills District, competing at the next level!

Thank you to our P&C parent volunteers who supported our first Sausage Sizzle lunch option for this year. We appreciate your generosity of time and effort to make this yummy lunch option available for our students.

Our next special lunch day will be Sushi - on Wednesday 29 June. Please get your order in by the due date to avoid missing out.

### **NATIONAL RECONCILIATION WEEK 27 MAY TO 3 JUNE**

National Reconciliation Week is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia. It runs from 27 May to 3 June, every year. These dates commemorate two significant milestones in the reconciliation journey – the successful 1967 referendum and the High Court Mabo decision.

Our PPPS classes have been focussing on putting reconciliation into practice every day. This week, I met with our local Aboriginal elder Aunty Carol and Kylie Captain, the Aboriginal Education and Wellbeing Advisor, with our Director, Jan Green and two Bankstown Principals, Mrs Nies from Revesby PS and Mr Whitten from Revesby South PS to discuss a Bankstown initiative to support Aboriginal and Torres Strait Islander students learning in all Bankstown schools. In Term 4, PPPS will be hosting The Belonging Day, which we are excited about.

### **FREE FLU SHOTS FOR ALL - UNTIL JUNE 30**

Did you know ...This year is expected to be a severe influenza season, with a sharp increase in flu cases already. [Free flu vaccines](#) will be available to all NSW residents over the age of six months until 30 June 2022, to boost immunity for the winter season.

Where to get vaccinated? GPs or Pharmacies - for anyone 5 years old and over

## **SENTRAL PARENT PORTAL AND INTERVIEW MODULE**

Semester 1 reports will be going home on Thursday 23 June (Week 9), then from Friday 24 June to Thursday 30 June there will be Parent-Teacher Interviews.

To book a Parent-Teacher Interview, parents go to the Sentral Parent Portal. You will need to have linked your child/ren to your account using the Access Key that was provided. The Parent-Teacher Interview bookings open on Thursday 16 June 9:00am and close off on Thursday 23 June 5:00pm. If you are still having problems, please make some time to see the Office staff or Mrs Chatt.

## **WINTER UNIFORM - REMINDER**

As the weather has started to become a little cooler, especially in the mornings, students may wear their winter uniform to school, but it is not compulsory yet. From 13 June (after the long weekend) all students must be in full winter uniform.

Up until the long weekend, students must wear either summer or winter uniform, but not a mix of both. No other clothing is permitted under the uniform. Thank you for your support in maintaining our strong sense of school pride through enabling our children to wear their uniforms well.

## **60TH ANNIVERSARY COMMITTEE**

Last week, the 60th Anniversary Committee met to discuss and finalise a number of events we are planning to celebrate the 60th Anniversary of Picnic Point PS. We would like to have as many past students, parents and staff involved as possible. Can you help get the message out? Here are some key dates to lock in your diary. If you want to join the committee, please contact the school office, via email. Our next meeting is Friday 10 June at 1:30pm.

### **Save the dates:**

- Alumni Cocktail Party - Saturday 22 October (further details to follow)
- School Anniversary Week - Monday 24 October to Friday 28 October (further details to follow)

## **EVERYDAY MATHS HUB**

Evidenced-based research shows that when teachers and schools foster respectful relationships and engage with parents and carers in mathematics and numeracy, students' attitudes, engagement and success are enhanced. Mathematics is one of our key focuses for our School Improvement Plan.

This week, Minister Mitchell launched a new phase of the #Mathstrainsbrains campaign. An initiative of the NSW Mathematics Strategy, the campaign will feature in a number of different online channels over the coming weeks. All campaign material encourages viewers to click through and visit the [Everyday Maths Hub](#).

There is also new translated content in Arabic, Chinese Simplified, Chinese Traditional, Hindi and Vietnamese to assist our culturally and linguistically diverse (CALD) communities to increase their engagement with mathematics and numeracy.

Thank you for your ongoing support.

Principal

# Learning Intentions and Success Criteria

*“The Journey is always easier and more fun when you can see the steps and know why you are going there”*

### Definition

A *Learning Intention* is a clear statement about what students are aiming to learn from a lesson. It is visible to all students and sets a clear expectation and goal about the purpose of the lesson. *Success Criteria* are a visible list of goals/steps that when met, the students will know they have achieved the learning intention of the lesson. Learning Intentions and Success Criteria act like a goal and a checklist system to make sure the students know they have met the learning outcome. An example of a Learning Intention and Success Criteria:

#### *Learning Intention*

We are learning how to write a conclusion to persuasive writing.

#### *Success Criteria*

- Re-read my introduction and paragraphs.
- Repeat my opinion.
- Remind the reader of my reasons.
- Say what I think should happen next.

### Why Learning Intentions and Success Criteria?

Learning Intentions provide students and teachers with a clear expectation and goals for each lesson. Students are more focussed because they have a clear understanding of the goal they are aiming to achieve. It allows students to break down their learning and use their success criteria like a checklist to make sure they have accomplished what they set out to achieve. This is allowing students to self-assess their work and provide accurate feedback to themselves and their peers about what they have done well and where they need to grow.

### Language of Learning Challenge

Think about a task that you wish to accomplish and what it will look like when it is done (this will be your Learning Intention). Next think about each aspect you will need to complete in order for the task to be accomplished (these will be your success criteria).

Finally think about if someone had told you to do something but you didn't exactly know what they wanted and didn't exactly know how to go about it or when it was finished. This darkness and unknowing is how some students can feel about their learning. Learning Intentions and Success Criteria aim to light the path and show students how to get where they want to be.

## Stage 1

### WINTER UNIFORM

From Week 8, Tuesday 13 June it is compulsory for all students to wear the winter uniform. The K-2 students look fantastic in their winter uniform and we really appreciate your support.

Just a reminder that only the following are permitted as part of the uniform:

- maroon, white or blue ribbons and elastics only
- maroon trackpants not blue

- jewellery - small studs or sleepers, religious necklace (to be worn under the uniform) and watches (any smart watches must be kept at the office)
- maroon, white or blue scarf only
- clear nail polish only

On Friday for sport, we ask that the students layer their clothing and wear their blue short sleeved sports shirt with a jumper and/or jacket over the top. We will begin training for athletics in Week 8 and the students with a skivvy underneath their sports shirt get very hot and sweaty running around.

Thank you for your support in this matter.

### **KINDERGARTEN ENROLMENTS 2023**

We have begun taking Kindergarten enrolments for 2023. If your child is starting Kindergarten next year, please go to the school's website, click on the enrolment tab and read the information. Then follow the link to fill in the application form. If you know of any other families in our catchment area who may have a child beginning Kindergarten next year, please inform them of the above procedure.

Thank you to the many families who have already completed their online enrolment. We appreciate your help as we begin our Kindergarten Orientation organisation.

## **Stage 2**

### **PUBLIC SPEAKING**

All students have now presented their speeches in class and we are proud of their effort and the standard they achieved. Congratulations to our stage finalists, who spoke bravely in front of the whole Stage 2: *Harper Zoghbi, Zara Bahamad, Vera Ly Lac, Sienna Belgre, Isaac Hourani, Georgia Young, Dean Afungia and Amy Jin.*

Two students will be selected on merit to compete at the next level. This year, the district speeches are to be submitted by video and we will be organising this later this term.

### **BYOD YEAR 4**

Thank you for supporting us in this trial - once again, if your child does not have a device to bring to school, they will not be disadvantaged in any way and will be working on a school device, on the same programs and tasks as everyone else. We have sent home our BYOD policy and a contract, which must be read by parents and students and signed before bringing their device to school. Students will be expected to abide by strict rules, to ensure cyber safety for all. Each device will need to be brought on their designated day and taken home at the end of the day. Once you have read the note, please contact your class teacher if you have any further questions or concerns.

The Year 4 students in 3/4 Orca will be asked to bring their devices on Mondays and Thursdays and students in 4 Dolphin on Tuesdays and Wednesdays.

### **OC WORKSHOPS AND TEST**

The OC workshops will continue each Wednesday morning, right up to Week 1 next term (28 July) for interested students. The Opportunity Test will be conducted at our school on Thursday 28 July. It will be a 'pen and paper' test consisting of two 30 minute and one 40 minute test. All applicants will receive detailed information from the High Performance Unit prior to the day.

## **JELLYBEANS**

Our missed sessions from Term 1 have now been made up and the students enjoyed their catch up lessons. We were impressed with the progress most students have made. They will continue to expand their skills in senior school, and we will keep their recorders at school to pass onto next year's teachers. However, if you wish for your child to bring their recorder and music notes home to practise, please let your teacher know. They will need to bring it back next year for their Jellybeans lessons or purchase a new one. We thank all parents for supporting this very valuable music program.

## **REPORTS AND INTERVIEWS**

See the main section of this newsletter for details. Please book your interview early to secure your preferred time. If none of the times suit, contact your teacher for possible alternatives. It is important to make time to discuss your child's progress.

## **SCHOOL EQUIPMENT**

We still have many students coming to school with no pencils, rulers or erasers. Please talk to your child about checking their supplies regularly. Teachers are purchasing packets of pencils, which seem to disappear within a couple of days. Glue sticks and scissors are also necessary items.

## **PORTFOLIOS**

Thank you for your support in sending in a portfolio for your child's work. We need all students to have a portfolio or folder to display their work samples. Please send one in urgently if you haven't already done so.

## **Stage 3**

### **PUBLIC SPEAKING**

Congratulations to the following students for representing their classes in last week's Stage 3 Public Speaking Finals - *Avangelina Afungia, Zac Iskandar, Kleon Kurniawan, Flynn McGuigan, Danis Osmanagic, Zoe Pandaram, Addison Pearce, George Psomas, Elena Vidanovski and James Young.*

They all did an excellent job with their speech and the impromptu speech. It took quite a lot of deliberating among the judges to find the two finalists.

Congratulations to Elena Vidanovski and James Young, who will be representing our Stage at the Multicultural Perspectives Public Speaking Competition. This year we will be having video submissions, there will be no impromptu section.

### **STATIONARY SUPPLIES**

The last few weeks have been quite difficult as numerous students do not have the basic stationery supplies - two blue/black and red pens, two pencils, ruler (not metal), rubber, glue stick. This is a minimum requirement.

We will be sending home all pencil cases today. Can you please go through them with your child and make sure they have the basics, thank you for your support.

### **DIVERSE AND CONNECTED WORLD EXCURSION**

All payments and note for this excursion were due today. This will be an excellent excursion for Stage 3 to explore and reflect upon similarities, differences, and the importance of cross-cultural understanding as they wander the hidden laneways of Chinatown and the Chinese gardens of friendship.

Unfortunately, due to the rain they have moved the Area Cross Country Carnival to the same day. We booked our excursion first! Families will need to make the decision which they wish to attend. Any student who decides to go to cross country and has already paid for the excursion, the money will be credited to your account. Please let the office know your decision, thank you.

## **STEM PROJECT**

In the coming weeks all Stage 3 will be participating in a bottle rocket project. This will involve them bringing in one or two 1.25L soft drink bottles (empty) per STEM Team. Students may bring their bottles into the STEM classroom at any time over the next two weeks.

## ***Band***

### **UPCOMING EVENTS**

School assembly performance	Fri 10 Jun
Band Performance Shine Bright Preschool	Mon 1 Aug (under negotiations)
Band Committee Meeting	Tue 2 Aug
Family Band Jam	Fri 5 Aug

### **SCHOOL ASSEMBLY PERFORMANCE**

Mrs McIlwaine feels that some of the band members have been working hard to get ready for a short performance at next week's school assembly (Week 7) and will need to bring their instruments next Friday. Mrs McIlwaine will give them more details on Monday or Tuesday. We will also take this opportunity to issue band badges to students who have not received one previously.

### **BAND PERFORMANCE AT SHINE BRIGHT PRESCHOOL**

We are very excited about the possibilities and opportunities that are finally opening up for the band. We are currently under negotiations with Shine Bright Preschool, who would love to have our band visit and perform for their children. We are tentatively looking at Monday 1 August and this will be confirmed closer to the date. The preschool is within easy walking distance, although we will need some assistance with transporting the larger instruments.

### **BAND COMMITTEE MEETING**

Our next meeting is scheduled for Tuesday 2 August (Term 3 Week 3), at 7:00pm in Mrs Stawski's classroom. Our last meeting was a great success thanks to the parents who attended, either in person or via zoom. We brainstormed some great ideas - hence the exciting plans for our band's future! We are hoping for even bigger numbers next time - see you there! It will be a great chance to discuss any last minute preparation for our Band Jam later that week.

### **FAMILY BAND JAM**

The family Band Jam is planned for Friday 5 August (Week 3). Parents, dust off your old guitar, recorder or mouth organ and join your children in a fun performance! We have even had opera singers (parents) perform in the past! Students will need to register their intended performance with Mrs McIlwaine, so that we can have an organised program for the evening. More details about the event to come.

It means they will be playing two games that day and return to school a little later than usual. We will remind you again that week.
