## Shared Language of Learning

# FEEDBACK

*"There is no failure, only feedback"*

### Definition

Feedback can come in many forms, but at its core, it is both a student and teacher's ability to reflect on their own work and the work of others and decide how to move forward. Effective Feedback is not 'good job' or 'well done' or 'try harder'. It is specific and tailored advice that is given with the purpose to promote growth. Feedback needs to be:

- Timely – As immediate as possible so that it is relevant to the task and has the most impact.
- Tangible – It has to be constructive and relate to real and specific aspects in which the person can improve or grow.
- Targeted – It is unique to each individual learner.
- Tied to goals – It needs to inform future learning and be working towards a goal that has been set.

### Why Feedback?

Feedback allows our students and teachers to reflect on what they have done and critically analyse where they have succeeded and where they need to grow. This ability, to critically look at both our own work and the work of others is proven to be invaluable in growing and moving forward. By being able to accurately and honestly assess where we are at, we can understand where we need to go and with the use of effective feedback understand what we need to do to get there.

### Language of Learning Challenge

Here's a tough one. It's about the big difference between feedback/praise and effective feedback (our 4 T's above). Next time your child does something not up to the standard you expected, try and use the 4 T method to provide them with effective feedback that will help them grow next time.

### Student Quote of the Week

"Feedback is something that you give to people when you think they'll do better." Olivia Burns

"If you are trying to do something and you don't really know how to do it, the teacher gives you help." Zali Rafter

"So feedback is like something that you tell someone and someone is reading a book and you need to give feedback or you're doing work and the teacher says 'make it bigger so we can see the words that you write.'" Gabriel Sabbagh

## Stage 1

### SEMESTER 1 REPORTS

Reports and portfolios come home next Thursday and we urge you to take the time to sit down with your child over the weekend to discuss their report and portfolio before the parent teacher conferences in Week 10!

Both the students and teachers have worked hard and we would like to congratulate the students on their successes and the great progress they have made during Semester 1.

We look forward to chatting with you in Week 10 about your child's progress and remind you that this is only a 10 minute interview time. Could all parents please bring THEIR CHILD'S PORTFOLIO with them for the interview.

## **PUBLIC SPEAKING**

Next term all K-2 students will be participating in our public speaking competition. Students will receive their notes in Week 10 regarding public speaking information and they will be required to present their speeches to their class in Week 4.

## **WINTER UNIFORM**

Winter uniform is now compulsory. A reminder that the following are permitted as part of the uniform:

- maroon, white or blue ribbons and elastics only
- maroon trackpants not blue
- jewellery - small studs or sleepers, religious necklace (to be worn under the uniform) and watches (any smart watches must be kept at the office)
- maroon, white or blue scarf only
- clear nail polish only

On Friday for sport we ask that the students layer their clothing and wear their blue short sleeved sports shirt with a jumper and jacket over the top. We will begin training for athletics next week and the students with a skivvy underneath their sports shirt get very hot and sweaty running around.

Thank you for your support in this matter.

## **KINDERGARTEN ENROLMENTS 2023**

We have begun taking Kindergarten enrolments for 2023. If your child is starting Kindergarten next year, please go to the school's website, click on the enrolment tab and read the information. Then follow the link to fill in the application form. If you know of any other families in our catchment area who may have a child beginning Kindergarten next year, please inform them of the above procedure.

Thank you to the many families who have already completed their online enrolment. We appreciate your help as we begin our Kindergarten Orientation organisation.

## **COMMUNICATION**

Please note that if you contact a teacher via email, they will get back to you as soon as possible within work hours.

## **DIVERSE AND CONNECTED WORLD EXCURSION**

The students had the best day for an excursion into the city. It was interesting to see how the students are out of practice when it comes to keeping to the left and being part of a school group and not part of the general public! We will need to work on this before going to Canberra!

A huge thank you to Mrs Gray for all her organisation in making this excursion happen.

## **CANBERRA EXCURSION**

If you are following our Payment schedule you will be/have made a payment this week, leaving only two payments left to make. Please keep an eye out as we will soon be sending home the dietary requirements form.

## **PEER SUPPORT/YEAR 5 LEADERSHIP TRAINING**

## PSSA SPORT

Season 2 begins today with Basketball and Soccer. Reminder that all fees are due by Friday 1 July. Good luck to our teams this season.

## TOUCH

The boys had many challenges thrown at them this season. Weather interrupted training and inconsistent match play due to ground closures meant the boys had to learn on the run. Despite this, it was great to be able to get out and play some sport on a Friday afternoon. Our senior boys finished in third place while our juniors went through as undefeated joint premiers by winning four matches and competing in a thrilling draw with Padstow Heights in the last round. Well done boys on a great season!

## NETBALL

We had a slow start to the PSSA netball season this year due to all the rain and unfortunately, we couldn't get all of our games in. With the change of venue to the Deverall courts at Condell Park, we were finally excited to play. The competition was first past the post and although we weren't Premiers or Runners Up this year, we were just happy to play the great game of netball with our friends. All the girls had a fantastic attitude and displayed sportsmanship each week.

Congratulations to Sienna Bender who was selected in the District team.

## NEWCOMBE BALL

This season was a short but compelling one, with a range of new skills learnt, particularly by our Junior team members. Out of 5 games in total, both teams won 4. An impressive accomplishment, considering it was the first year on court, for many of our Junior team. A special shout out to Anika Ralevski, Mel Elliott, Ben Savage, Lachlan Avery and Lucia Ricapito, who have served their final 'hat tricks' after contributing to our Junior and Senior teams for multiple seasons.

## ATHLETICS CARNIVAL

Our K-6 School Athletics Carnival will be held on the first day back next term - Tuesday 19 July at The Ridge Sports Complex. All notes and money are due back by Monday 27 June.

## SPORT IN SCHOOLS

Next term our Sport in Schools program returns for all K-6 students. All notes and money are due back by Monday 27 June.

## **A NOTE FROM THE PRESIDENT...**

### **COMMUNITY BUILDING PARTNERSHIP GRANT**

Last week the P&C submitted a grant application for the purpose of receiving funding for the proposed renovation of J Block as well as additional storage sheds. There is a brick room in J Block which is currently housing unused school furniture and we are hoping to obtain funding to convert this room into a learning space so that students can benefit from more targeted and individualised support. The storage sheds would be used to house the unused furniture as well as having a shed specifically for P&C assets which are currently housed all over the school due to limited space.

Special thanks to Rachele Domenici for her assistance with the grant.

### **EAST HILLS DISTRICT P&C COLLABORATION**

The P&C have been active in initiating regular meetings with other P&C associations in our district for the purpose of meeting and supporting each other. This collaboration should hopefully lead to sharing of ideas, resources and strategy.

The very first meeting will be held via Zoom on Wednesday 20 July and we look forward to meeting our counterparts in other schools and forming a strong network for the future.

### **P&C TO GO ONLINE!!!**

At our P&C meeting this week it was agreed by members to move the P&C Canteen, Uniform Shop and Fundraising activities to an online platform. My School Connect was chosen and will hopefully be up and running for parents for Term 3.

We will run this new system in parallel with current practices but hope that this will make it easier for parents to place orders and pay for events as well as making it much easier for our amazing volunteers.

So say tuned for launch date and introduction videos and information to come.

## A NOTE FROM THE PRESIDENT...
