In the South Western Sydney local finals, there were two highly commended (runners up) per stage and one overall winner per stage. Congratulations to our participants:

Congratulations to **Sienna Belgre (Stage 2)** and **James Young (Stage 3)** who were awarded Highly Commended in the Multicultural Perspectives Public Speaking competition for their stage. What an amazing achievement! The organisers would like to congratulate all participants for an incredible standard this year!

## BELONGING DAY

On Monday 8 August some of our Picnic Point PS First Nations students joined students from other schools for a Belonging Project excursion to Symbio. They spent the day learning about all the animals at Symbio with their guides Izzy and Olivia. They got to socialise with all of the other First Nations students.

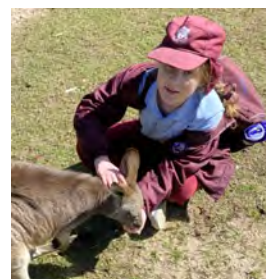

"I liked the Red Panda because it is nearly extinct. I liked feeding the kangaroos and the wallabies, sometimes they give you a little nibble! The reptile enclosure was really cool. I liked the frill-necked lizard." Mason Edwards 5/6 Poseidon

"I enjoyed feeding and patting the kangaroos. I liked the Tasmanian Devil because it is different from every other animal. I nearly got to pat a koala that came over to the fence,

it was very close to me!" Kim O'Rourke 5/6 Poseidon

It was a wonderful experience for all the children involved and they are looking forward to more opportunities to meet again in the future.

## JUMP ROPE FOR HEART

Thank you very much for the amazing support for the Heart Foundation through our Jump Rope For Heart program. We have raised over \$7500. An awesome effort!

Due to our upcoming 60th Anniversary celebrations and also our Year 6 fundraising activities, the last day of Jump Rope fundraising will be today - Friday 12 August.

Classes will continue their skipping program for the remainder of the term. We look forward to seeing our students demonstrate their new and enhanced skipping skills next Friday at our 'School Jump Off'!

## 60<sup>TH</sup> ANNIVERSARY CELEBRATIONS - FRIDAY 28 OCTOBER

We are getting closer - how exciting! Please help us by spreading the word as we would love to see lots of past students, parents and teachers visit the 60<sup>th</sup> Anniversary Festival on Friday 28 October.

We are also in need of parent volunteers to help out for a short period throughout the day. If you can help, please add your name to the roster outside the school office - an electronic version is being created for ease (TBA).

The Colour Run will commence from 11:00am and all of our families are invited. The Colour Run will wrap up around 2:30pm, ready to move into the festival from 3:15pm till 7:00pm. We will be having a vast array of entertainment from our local community and school, as well as fun activities for the kids, food and drink and a QR code trail showcasing the history of the school and current students work.

The Alumni Cocktail party will be held at the school hall on Saturday 22 October, 2022. Tickets will be available from Friday 12 August (today) and close on Monday 17/10 @ 12:00pm. Get in quickly as there are only 150 places available.

### FATHERS DAY STALL

Thank you to Karen Friend and the P&C for their work leading up to the Fathers Day Stall. Our stall will be at the hall on Thursday 1 September. Gifts will be from \$5.00. Please bring your own recycled bag if you can, to help out.

### ATTENDANCE MATTERS

Attendance at school is a most important matter. The higher the student's attendance, the higher their outcomes will be, including academic, social and emotional.

Students are expected to be at school unless there are clear medical reasons why they are not able to be, such as displaying cold and flu-like symptoms. 'Learning from home' is no longer an option available to students unless the school is closed, and a clear directive has been issued.

We value your support in ensuring your child is present at school each day ready for learning.

### ICAS COMPETITION

Next week students will be participating in the ICAS English Competition. Years 3 & 4 on Tuesday and 5 & 6 on Wednesday. Students will need to be at school at 7:45am sharp so the tests can run smoothly and be ready for the school day at 9:00am. We will meet at the steps of the computer room.

We discussed the ICAS assessments being held at school at the P&C zoom meeting last Tuesday. We have decided to no longer run the ICAS Competition at PPPS from 2023. Here are a number of reasons why:

- The entire grade does not sit the test and therefore it cannot be used in conjunction with other school assessments.
- We are currently using other external forms of assessment, such as the Check In Assessment, that are cost-free, aligned to the current NSW syllabuses and completed by all students.
- ICAS is run by a private company and no longer aligned with the University of NSW. The company draws on school resources to set up and administer the tests and print the certificates. This is not an equitable use of school resources for all students.
- As the tests are now online, it creates some practical difficulties for the school.
- The tests are costly to families and cost the teacher's valuable time in running them. Time we would rather see spent on preparing for lessons or providing student feedback.

Whilst we understand this change in practice will be disappointing to some parents, it does not mean that your child cannot participate. There are a number of schools making this same decision and so ICAS has set up test centres. If you wish your children to sit the test in 2023 you can take them to the JEM (Janison Exam Management) Testing Centre in Ultimo on a Saturday. Dates to be communicated next year.

Thank you for your ongoing support. Stay safe and well!

Karen Sellick  
Principal

# BEE CURIOUS

*"Curiosity is the spark behind the spark of every great idea. The future belongs to the curious"*

## Definition

Curiosity is our student's ability to learn and take an interest in new things. Curiosity allows our students to actively question their own learning and the world around them, to discover and grow both as a learner and a person. For example when told that Mount Everest is the highest mountain in the world a curious learner wants to know how high? Or where is it? Or might even already know, that even though it is the highest, it is not in fact the tallest.

## Why Curiosity?

Curiosity defines a lifelong learner and is at the heart of all our greatest adventures and ideas. Students who are curious learners, are successful learners and continue to learn regardless of the setting. They are the innovators, leaders and minds of the future.

## Language of Learning Challenge

This week is simple. Be Curious and discover something new or interesting with your child/children.

## Student Quote of the Week - 3 Porpoise

"Being Curious is when you would wonder about something. I was curious when we were doing maths. I wondered what strategy I would use to solve a multiplication problem." By Nicole Batty

"Yesterday I was curious in maths when we were learning about money. I asked the question - How many sides does the 50c coin have? The answer was 12. By Zara Bahamad

"I was curious when we were making our dioramas about our Australian native animal habitats and what our group finished one would look like." By Alex Li

## Stage 1

### PUBLIC SPEAKING

The South Primary Public Speaking Competition begins on Monday. Each student will need to prepare a speech on any topic of interest suitable for a school audience. The Stage 1 class competitions will be held during Week 5 of Term 3, with stage finals held during Week 6. One winner from each division will be selected on merit to attend the Regional Finals, which will be held later in the term. Teachers will inform their classes which day their speech is to be presented and we are looking forward to hearing from every student.

### KINDERGARTEN ENROLMENTS 2023

We have begun taking Kindergarten enrolments for 2023. If your child is starting Kindergarten next year, please go to the school's website, click on the enrolment tab and read the information. Then follow the link to fill in the application form. If you know of any other families in our catchment area who may have a child beginning Kindergarten next year, please inform them of the above procedure.

Thank you to the many families who have already completed their online enrolment. We appreciate your help as we begin our Kindergarten Orientation organisation.

## ***Stage 2***

### **UPCOMING EVENTS**

Class speeches due	Mon 15 Aug
Year 4 The Rocks excursion	Mon 19 Sep
Year 3 Royal National Park excursion	Thu 20 Oct (TBC)

### **SPORT IN SCHOOLS**

The students are really enjoying their sports sessions every Tuesday. The activities are always different and are designed not only to strengthen every part of the body and develop physical dexterity, but also to teach teamwork and collaboration. Students need to remember to wear their sport uniforms and joggers and must also have a hat and a water bottle.

### **PUBLIC SPEAKING**

A reminder that the Stage 2 speeches are due on Monday and will be presented over the course of the week. Stage finalists will need to present their speech again on Wednesday of Week 6. The topic is an open choice for this competition and the teachers look forward to hearing lots of unique ideas.

### **EXCURSIONS**

To support and enrich the students' understanding of our HSIE topics, carefully selected excursions have been planned for later this term and early next term. A walking tour of The Rocks, supplemented with expert facts, stories and activities, will be attended by Year 4 to enhance our studies of the First Fleet, early life in Colonial Australia and first contacts with the land's inhabitants.

Year 3 have been studying Australian flora and fauna, natural environments, landforms and national parks and their roles. Their excursion will be to the Royal National Park at Audley, where they will be involved in a variety of activities such as identifying local flora, bushwalking, talks about native animals and conducting weather studies. The cost of each excursion will be around \$40.

### **MRS STAWSKI LEAVE**

Mrs Stawski will be on leave from Week 5 to Week 8. Miss Lennon will be teaching 3/4 Orca, with Mr Dodd on Fridays as usual. Mr Belgre and Mrs Hayes will be available for any learning concerns or other issues. Please email or call the school with any questions. Thank you for your continued support.

## ***Stage 3***

### **CANBERRA**

Our overnight excursion to Canberra is only 3 weeks away. Today is the final day to pay for this camp. Any students who have not paid for the camp will unfortunately not be able to attend unless other arrangements have been made with the office.

We will send another copy of the requirements list soon. We have been advised that all staff and students will need to fill in a PHD (Personal Health Declaration) form that has been filled in 24 hours prior to the excursion. This can be done on paper or electronically. I will send it home on Friday 2 September. They will be collected on Monday 5 September just before we leave. Any electronic forms will be sent to my email, and I will print them off before we leave. I will also have blanks available on the day in case anyone forgets.

### **PUBLIC SPEAKING**

Stage 3 class speeches will be presented over the course of Week 5. Stage finalists will need to present their speech again on Thursday of Week 6. The topic is an open choice for this competition and the teachers look forward to hearing lots of unique ideas.

## CADBURY CHOCOLATE FUNDRAISER

Thank you so much to those families who have offered to sell a box or three of chocolates. Also thank you to those Year 6 families who have made a \$25 donation if they cannot sell any chocolates.

The chocolates are being delivered on Friday. They will be sent home on Monday 15 August due to PSSA. Can we please have the money returned by Friday 26 August Week 7.

## *Band*

### TRAINING BAND PERFORMANCE

It was absolutely wonderful to have our Training Band perform for us at lunchtime on Monday. A large number of students and teachers came up to the hall to be a captive audience and really enjoyed the show! Thank you, Training Band - we were amazed at how much you have learnt in such a short time! Keep playing and practising! We look forward to many more performances!

Thanks also go to **Ethan Lui, Athan Tan** and **Angela Zhao**, who performed for us at last week's assembly - what a special treat!

### BAND MEETING

Our committee meeting in Week 3 was very successful, with a number of parents attending in person as well as via Zoom, to share ideas for our future. As mentioned, unfortunately the planned Preschool and Band Jam events had to be postponed, but we are still enthusiastic about making them happen at the end of Term 3 or early in Term 4. The children benefit greatly from any opportunity to display their skills. If your child is interested in getting together with another band friend or two to perform at assembly, please encourage them to speak to Mrs McIlwaine.

### SYDNEY SYMPHONY SUCCESS

Huge congratulations to **Edward Loh** on his success with the Sydney Symphony. It is hard work, but we are so proud of you, Edward! You have faced this opportunity with a gritty and positive attitude and represent our school with excellence!

Edward will be performing at the Sydney Opera House this Monday!

## Chess

### JUNIOR CHESS LEAGUE CONCLUDED

The inter-school competition is now finished, and we are proud of both teams! Team A came 2nd by two and a half points and Team B were not far behind. The main thing is that all the players enjoyed the contest tremendously and learnt so much, regardless of who won.

Again, I would like to thank all the parent helpers and drivers without whom the competition would not happen. Many thanks to Mr Burdon for giving up his Friday afternoons to supervise, also Mr Dodd for his assistance on Fridays.
