

Uniform Shop Policy

1. The shop will only accept girl's summer dresses, winter tunics, school jackets (blue and maroon) and band uniforms as "pre-loved" items (i.e. items for resale on behalf of other people).
2. All other items given to the uniform shop will be considered as donations to the clothing pool.
3. The shop will keep preloved items for 12 months – then they become the property of the shop.
4. The shop reserves the right to adjust pre-loved prices if they are not considered realistic.
5. All pre-loved items must have proper contact details attached, including the date given to the shop.
6. Envelopes with the required details are available from the shop or the template/form can be located on the P&C webpage under "Uniform".
7. Where people are unable to pay for items on the day, we will hold items for 1 month only (unless they contact us).
8. The shop will not accept bags, tights or hats for resale.
